Motion Carried

Don Wilson turned the floor over to Chief David Moulden for partial review of the Budget.

Chief Moulden distributed copies of the Revenue Status Report and the Appropriation Status Report and explained in detail each item. Copies of these reports are attached.

Chief Moulden summarized that over all the Township is in good condition. There are still a few concerns that he has previously spoken about to the Board. Right now there is enough money; however, it is possible at the end of the year we will fall short. Two concerns are the OPERS and the Unemployment Compensation where we will be short. By the July Meeting the Chief will have some recommendations for the Board.

062110-2: Harold Grosnickle moved to set the Budget Committee Review meeting for Monday, July 19, 2010 at 7 p.m. at the Township Hall. The purpose of that meeting will be to review the first six months of our budget with the Budget Committee. 2nd by Don Wilson
