The Wayne Township Board of Trustees respectfully request your feedback regarding the implementation of zoning regulations within the former boundaries of the Village of Newtonsville. The Wayne Township Zoning Commission will be holding a public informational gathering at which the draft of a zoning resolution will be shared. The gathering is scheduled for October 7, 2020 at 6:30pm at Township Hall located at 794 Wright St.

COVID-19 precautionary guidelines will be in effect requiring social distancing, masks or facial shields.

We are enclosing a stamped self-addressed postcard with one question and one check box. We would like to know if you currently support the idea of implementing a zoning resolution and if you plan on attending the informational gathering.

You can visit the Wayne Township website at www.wayne-township.org to view the draft resolution.

Please contact our Zoning Administrator/Inspector, Allen R. Carrier at 513-625-8124 or send an email to zoningadmin@wayne-township.org if you have questions.

Thank you for your prompt reply.

Sincerely,

Wayne Township Board of Trustees
